

I See 
LOVE 
 

Each day, as I look up and down,

I see beauty all around.

I look up, and I see the sky.

I look down at a dog
passing by.

In it all, I see love.

I See 
LOVE 

From the highest mountain range to the tiniest ant, the wonders of God's creations surround us.

As you look up and down, you will see beauty and love all around.
